

From Our Early Files

21 YEARS AGO

Rev. Carl Preer, new president of the Troy District, preached at the Elba Methodist Church.

The city of Elba purchased a tract of land from Mr. Walter Lee consisting of eight to ten acres to use for a modern athletic field and playground. This announcement was made at the regular meeting of the Chamber of Commerce at Talley's Cafe.

Also at the meeting, encouraging reports were given on the Boy Scout movement in Elba by Dr. W. M. Ringsdorf, Dozier Bryan and A. C. French.

Announcement was made that the Southland Peanut Products Company would locate its new plant in Elba and that work on the mill would begin in the next week. The company was relocating after the old buildings burned down in New Brockton.

F. H. Marphree was owner and manager.

Members of the Methodist Missionary Society were hostesses to all women of the church when they entertained at a "hen party" in the parsonage on Rushing Street.

The price of admission was a hen, and as each guest arrived, she placed her hen in a coop which was placed near the entrance. Miss Eunice Graham, recreational director, conducted a program of clever contests that kept the guests entertained throughout the afternoon.

For the refreshment hour, Mrs. J. C. Vickers, Mrs. F. H. Marphree, and Mrs. R. L. Cooper served delicious sandwiches and cold punch.

Those enjoying this occasion were Mrs. A. C. Dunaway, Mrs. Corrie Bryant, Mrs. J. M. Gurt, Mrs. R. C. Bryan, Mrs. R. L. Cooper, Mrs. John Dunaway, Mrs. C. O. Miller, Mrs. Levy Morrow, Mrs. F. H. Marphree, Mrs. Dana Perdue, Mrs. Gordon Prescott, Mrs. W. W. Sanders, Mrs. Romine Harwell, Mrs. J. M. Rowe, Mrs. F. A. Forris, Mrs. Mayo Prescott, Mrs. Luther Vaughan, Mrs. Dave Vaughan, Mrs. J. O. English, and Mrs. J. C. Vickers.

Student From Elba Has Part In Play

A student from Coffee county attending Alabama College took a leading part in the annual College Night production staged at the Montevallo institution February 18-20.

Miss Vernetta Hudson, from Elba, was a key figure in the play, which was a take-off on ancient Rome.

With capacity crowds at each performance during the three-day festival, Saturday night's presentation brought to a climax the annual homecoming activities of Alabama College.

Miss Hudson, the daughter of Mr. and Mrs. Arthur Hudson of Route 2, Elba, and a graduate of Elba High School, is a successful science major in her second year at Alabama College. She currently serves her class as secretary.

EMPLOYEES UP BY ONE THIRD IN PAST YEAR

An increase of about one-third of personnel since the last Dorsey Trailers National Convention, and a forecast of continued expansion of the Elba plant and elsewhere throughout the country, were highlights of an address by Oliver D.G. The Thrifty HOUSEWIFE KNOWS SHE PROFITS FROM ADVERTISING!

She Has Found From Experience that she fares Better When She Buys From Those Stores Which Advertise Regularly in Newspapers!

The Wise MERCHANT KNOWS HE PROFITS FROM ADVERTISING!

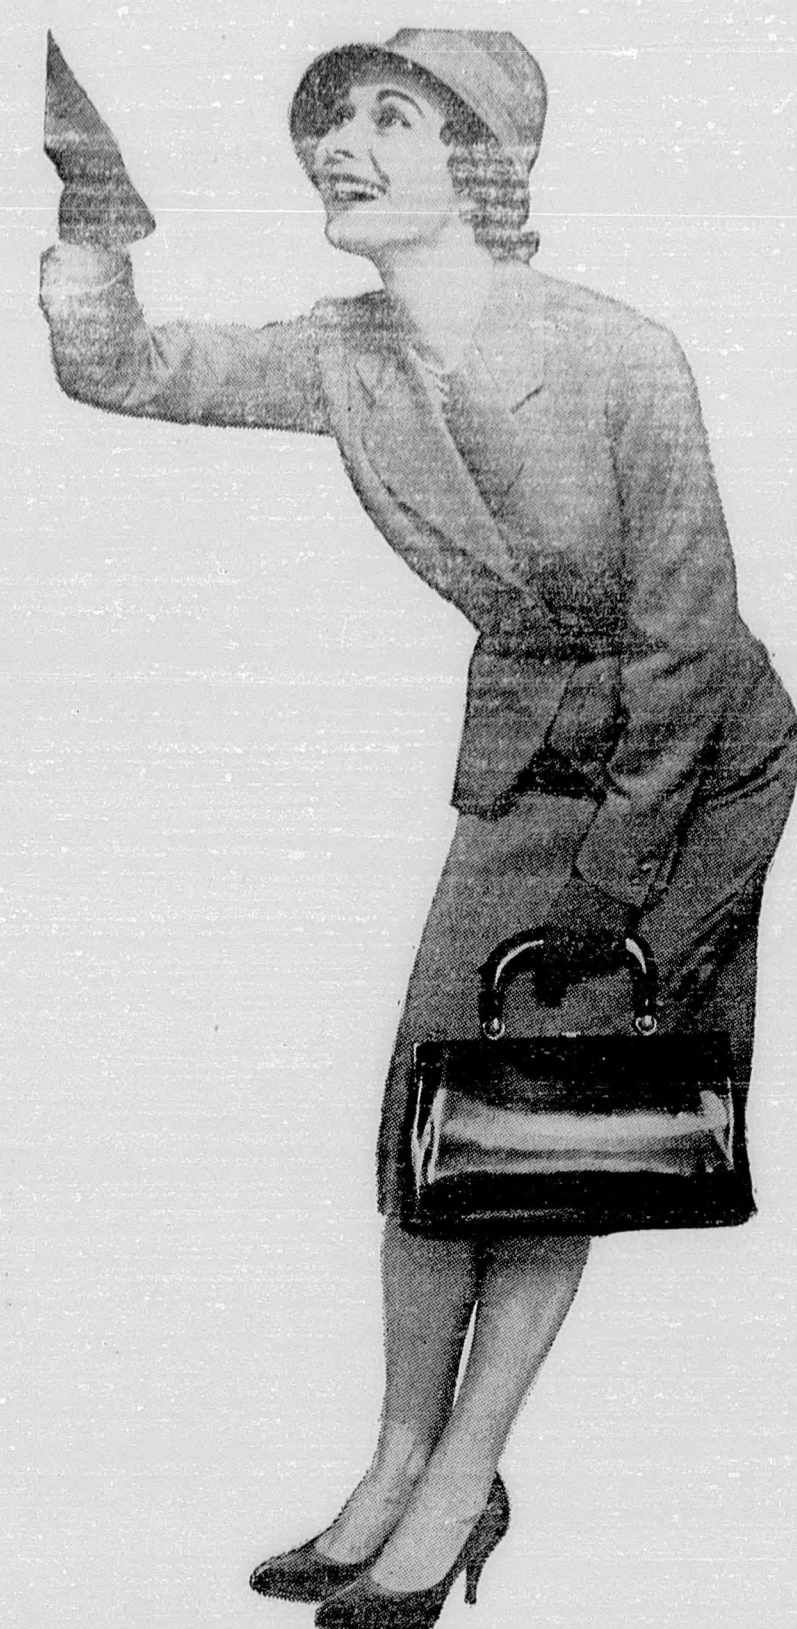

No business has to advertise. An experienced ad man is the first to disagree with the oft-repeated statement that 'You have to advertise.' Because you don't. But the most successful merchants are those who advertise. Because they want to let their customers know about their latest values and they have no fear to let their competitors know the same as their customers.

There are definite rules how to use it and the first rule is to budget the advertising the same as to budget the rent, payroll, gas, lights and water. Regular advertising is the key-note. No longer is advertising for clearance sales only. Customers want to know about regular price line merchandise too.

And there must be some reason why there is more advertising done in newspapers than in any other media. In fact, there is as much advertising done in newspapers as in the next highest three media combined.

All advertising is good, some better than others!

WEED SEED

"When it comes to sheer intrinsic, I say dandelions are the world's clearest weeds. First they hide beneath their yellow blooms, figuring I'll mistake them for flowers. Then when I have spent most of the summer rooting them out, the last cunning survivors always enlist the help of my own youngsters to plant a bumper crop for next year.

But there are weeds more serious than dandelions—those which like the tares in Christ's parable are planted by an Enemy. There are my real concern when I think about my youngsters. I want no evil to choke or twist the character of my sons and daughters. Nor do I want them to spread the spores of evil that will undermine the character of others. I believe that God meant me to seek truth and moral course through the teaching, preaching and fellowship His Church provides. Every Sunday I share these blessings with my family.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a schoolhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Hard to believe, but true! If yours is an average business, you LOSE 30% of your customers each year. If you don't believe it, look through last year's accounts and see how many are no longer active.

WHY? DO YOU LOSE THEM?

Through death, moving to another community or through the efforts of hard-driving competitors—a variety of reasons, some of them beyond your control.

At the same time, there's a normal business increase Of Only 4% Each Year.

That leaves you facing a 26% handicap each year—a handicap you must overcome if your business is to remain healthy and profitable.

What Do You Do About It?

The answer lies in better merchandising, better planning, more vigorous promotion of fast-selling goods and service.

The surest, most profitable method of sales promotion is consistent, timely newspaper advertising.

The Church is the greatest factor on earth for the building of character and good citizenship. It is a schoolhouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

The surest, most profitable method of sales promotion is consistent, timely newspaper advertising.

ADVERTISING IS THE LIFE OF TRADE

(The Above reprinted from The Montgomery Advertiser)

And advertising is news. Newspaper readers want advertising because it's news. They want to read about the latest values. Surveys have shown that, among the various features in a newspaper, advertising ranks first in interest with the women and second with the men.

Nothing sells a city to the surrounding area like a newspaper. Nothing sells a merchant's products like a newspaper.
